HVP630 is a two-level locking, high-pressure interlock 2-pin connector, crimp 4 ~ 6mm<sup>2</sup> cable, working current 23 ~ 40A, with strong resistance to mechanical vibration and electromagnetic shielding, electric and hybrid vehicles DC-DC, air conditioning and other auxiliary equipment reliable connection program.

The main features

- 1, built-in high-pressure interlock function
- 2, the maximum rated current 40A
- 3, two levels of locking
- 4, lock protection
- 5, waterproof rating IP67
- 6, 360 ° electromagnetic shielding
- 7, anti-shock
- 8, a variety of anti-error key optional

#### Factory Production

Renhotec is a manufacturing and trading company in the field of connectors with more than 11 years' experience and professional team. Standard and customized products all available.

#### Abundant Output

After years' development, Renhotec designed and produced an extensive range of products, which are trusted by Brands such as Huawei, ZTE, Samsung, LG, etc.

#### Advanced Equipment

Our R&D Lab imported PIM analyzer, optic smart scope, X-ray XULM, salt spray machine, etc for reliability measurement, which make sure every product fully to customers' expectation.

## Why choose us

#### Quick Response

we are committed to deliver our quick response within one hour in working time and 24 hours in holiday.

#### Over 10 years' Experience

we've been in this field since 2005, and designed and produced wide range of products with our professional R&D team and Sales.

#### Competitive Price

we continuously strive to find ways of reducing our production costs, and passing the savings to our valued customers.

#### Quality Assurance

we are committed to provide high quality products and professional service, which comply with CE RoHS.

#### Fast Delivery

kinds of shipment ways for your selection at lowest cost. 3-5 days for samples, 7-10 days for bulk purchase.

#### Free Samples

we offer you free samples to test the quality and dimensions before bulk purchase. We help you to control your risk.

### // Sam, India

Thank you for your Promot & Excellent Service. The connectors are quite good and well suited as per our requirements. I wish to have the same service and products in our future endeavours.

### // Mateusz Szymanski , Poland

Good communication, shipping according to schedule, products complementary with specification+free samples of cables. I'm happy with service and goods.

### // Syed Karim, USA

They do look to be of very good quality. There may be another order in the near future.

### // Adam, UK

The new BNC connectors work well in our product and have improved the operation. A very good quality thank you. Also the female-female adaptor works well.
